

# Air Force Departmental Publishing Office (AFDPO) Products and Media Update

Mr. George Harris

# Overview

## Products & Media

- Background
- Current Status
- Way Ahead

# Background

The Products & Media activity was chartered to further enhance the migration of the physical products into electronic format or pursue alternate media.

# Current Status

## Products & Media

- Completed initial review of all physical products
- Mixed results
  - Many are obvious digital candidates
  - Some were available as digital product
  - Some can be substituted with DoD forms

## Products & Media

- All require coordination with OPR
- Project require Eternal Vigilance
